## OVERALL RATING

● ● ● ● ● 5 / 5

## AI ANALYSIS

### AI Summary:

The client was highly satisfied with the redesigned website. The new design improved load times and the team communicated well throughout the project.

### Highlights:

- Fast delivery ahead of the planned schedule
- Excellent communication and regular progress updates
- Improved site performance and mobile experience

### Improvement Suggestions:

- Consider adding a multilingual toggle for the client's international audience

## ORIGINAL CLIENT FEEDBACK

### Client Feedback / Comments:

Very professional team, delivered exactly what was promised. The new site looks great and our customers love it.

### Suggestions / Recommendations:

Would appreciate a small training session for the admin dashboard.

# #2 – Website Redesign & Development
