AI ANALYSIS

AI Summary:

The client was highly satisfied with the redesigned website. The new design improved load times and the team communicated well throughout the project.

Highlights:

- Fast delivery ahead of the planned schedule
- Excellent communication and regular progress updates
- Improved site performance and mobile experience

Improvement Suggestions:

- Consider adding a multilingual toggle for the client's international audience

ORIGINAL CLIENT FEEDBACK

Client Feedback / Comments:

Very professional team, delivered exactly what was promised. The new site looks great and our customers love it.

Suggestions / Recommendations:

Would appreciate a small training session for the admin dashboard.
